

Family Newsletter

January ● February ● March

Every parent should know how and when to do CPR.

When done correctly, CPR can save a person's life. It brings blood to the heart, brain and other organs until emergency medical personnel can provide advanced medical care.

FIRST AID & CPR

January 29th, 2022
9:00 am -2:00 pm
317 West First Street Oswego

Pre-Registration for the course and payment must be in our office by January 21st, 2022

For Questions
315.343.2344 ext. 15

If you have a car seat in your vehicle, visit a Certified Child Passenger Safety Technician in our community to double-check that it's correctly installed and that you're using it correctly. In the mean time if you need a seat checked contact the Traffic Safety Board at 315-343-2344 ext 22

For further details, contact Child Care & Development Council
317 W. 1st Street Suite 111 Oswego, NY 13126
