ICP's child care search provides parents/guardians with a tailored list of regulated, high quality child care options specific to your referral request.

Legally-Exempt Child Care

A legally exempt child care provider can be someone that the parent/caretaker is familiar with like a friend, a neighbor, family, or someone else known to the family. Care can be provided in the child(ren)'s home, your home, or in another residence.

Are you interested in having a family member or friend provide in-home care for your child(ren)?

Do you qualify for the Child Care Assistance Program?

If you answered **YES** to these questions contact Oswego County DSS and start the Legally-Exempt Child Care process today!

Call DSS: **315-963-5021** or E-mail: childcare@oswegocounty.com

A parent/guardian must first request the Legally-Exempt Enrollment Packet from Oswego County DSS. The family and child care provider will complete the packet together and then submit to ICP to become enrolled.

Summer Car Seat Safety Tips

1) Look before you lock! Never leave a child unattended in a car.

2) Start your A/C or roll your windows down before getting into the car so it can cool down.

3) Check your car seat's expiration date to make sure it is still safe to use!
