

Get Your Child Tax Credit & Earned Income Tax Credit

File Your Taxes

Thanks to President Biden's American Rescue Plan, there is **more money available** to families and/or people with low to moderate incomes. Filing your taxes is how you can claim benefits like the Child Tax Credit and the Earned Income Tax Credit.

Whether or not you received stimulus checks or monthly payments in 2021, additional money may be available to you. While individuals who won't owe taxes have longer to file, filing by **April 18, 2022** is how you may get your full benefits the soonest.

A Historic Increase

Families can enjoy an increased Child Tax Credit (\$3,000 or \$3,600, depending on a child/dependent's age), and more people with low incomes can receive a larger Earned Income Tax Credit.

These Tax Credits Are Not Income

Receiving these benefits will not impact eligibility for other federal benefits such as UI, Medicaid, SNAP, SSI, SDI, TANF, WIC, Section 8 or Public Housing.

Not a Frequent Tax Filer?

Even if you didn't earn enough to be required to file taxes, you are eligible for the Child Tax Credit and potentially thousands of additional dollars in benefits. See what you can receive by filing a 2021 tax return!
